

City of Tempe  
Commercial Solid Waste  
Roll-Off Requirements and Charges

The following are the requirements and charges that apply to all customers utilizing roll-off container services of the City of Tempe. If you have any questions concerning any of the requirements or charges, please contact the Solid Waste Services Supervisor at 480-350-8268.

1. Containers will be billed each time the container is emptied. Minimum of 1 pull every two weeks.
2. The two-week time period commences with the delivery of the container and restarts the day that the container is emptied.
3. **DO NOT** place dirt, rock, concrete, tires, railroad ties or any hazardous waste in container.
4. Place refuse, trash, rubbish, non-concrete construction debris, roofing material, and green waste in container.
5. Loading height is the side of the container. **Overloaded containers will be adjusted to allow for safe hauling.**
6. The undersigned agrees to hold the City of Tempe and all of its agents and employees harmless from any and all damages or causes of action which may arise out of the City of Tempe's placement and retrieval of the roll-off container.

\_\_\_\_\_ 15-yard allowed 4 tons @ \$199.72 per dump. Additional weight, in excess of 4 tons will be billed per ton @ the current gate rate of the city's disposal facility.  
\_\_\_\_\_ 25-yard allowed 5 tons @ \$245.88 per dump. Additional weight, in excess of 5 tons will be billed per ton @ the current gate rate of the city's disposal facility.  
\_\_\_\_\_ 40-yard allowed 6 tons @ \$292.10 per dump. Additional weight, in excess of 6 tons will be billed per ton @ the current gate rate of the city's disposal facility. **Gate rate: \$41.80**
